

Beaminster Area ECO Group

Thinking globally, acting locally

Newsletter 54 : September 2025

Dear Friends

September is here and it is Beaminster Area Eco Group's **Big Green Day** on Saturday, 27 September between 10.00am – 3.00pm at Beaminster School's campus. We'll be outside in the green space enjoying community, conviviality and sharing information. However, If the weather is not kind we can be indoors. I have attached a copy of our poster. Please could you help us by displaying it in a window, on a fence or lamp post, and encouraging friends and neighbours to come along.

Lots of practical ideas on ...

- cutting waste and our carbon footprint •
- recycling •
- reducing living costs + saving energy •
- local groups •

+ refreshments... live music... children's activities

27th SEPTEMBER 10 - 3

BEAMINSTER SCHOOL GROUNDS

free entry!

- on foot/cycling/disabled parking: Fleet Street entrance car park - what3words: devoured.scanning.sailed
